

REHOMING PROGRAM EXPRESSION OF INTEREST

HOOFS2010 Brumby Rehoming Program Guidelines

Thank you for your interest in our Brumby Re-homing Program at HOOFS2010. Please carefully review the following guidelines before submitting your expression of interest:

- 1. Sanctuary Visit Requirement:** We encourage all potential re-homers to visit our sanctuary located in Berrigan, NSW, at least once, this is a non negotiable. This allows for multiple opportunities to interact with our Brumbies and participate in meet and greet sessions. We believe in a "join-up" process, where the Brumby may choose you as their companion.
- 2. Property Ownership Requirement:** All applicants must own their own acreage property. Our program is not suitable for individuals who are renters or have agistment arrangements in place. Providing a suitable and permanent home environment is essential for the well-being of our Brumbies.
- 3. Expression of Interest Submission:** Your expression of interest must include a written letter outlining your experience with and commitment to horses, as well as your reasons for wanting to adopt a Brumby. Additionally, please provide two written references from equine professionals who can attest to your suitability as a horse owner.
- 4. Executive Committee Review:** Once your application is received, it will be forwarded to our executive committee for thorough consideration. We carefully assess each application to ensure the best possible match between adopter and Brumby.
- 5. Life Lease with Boomerang Policy:** Brumbies in our re-homing program are placed on a life lease basis. In the event that your circumstances change and you are no longer able to care for the Brumby, they are to be returned to HOOFS2010. This policy ensures the lifelong welfare and security of our Brumbies.

We appreciate your understanding of and adherence to these guidelines. Your commitment to providing a loving and permanent home to one of our Brumbies is invaluable in ensuring their continued well-being and happiness.

Please feel free to contact us if you have any further questions or require additional information.

Sincerely,

HOOFS2010 Inc
